

### **REMARKS**

Claims 1-7 have been cancelled. Original claims 8-14 are pending in the present application.

The specification has been amended herein to correct errors in the reference numbers in the specification. As the specification has been amended in the present amendment, the reference numbers 316 and 318 have been changed to correctly refer to reference numbers 320 and 322 for the linear drivers as shown in FIG. 3 and the reference character 324 has been corrected to 326.

Enclosed is an Information Disclosure Statement together with a copy of each listed document.

Applicants attorney has reviewed the documents listed on the enclosed form PTO-1449 and respectfully submits that each of the claims 8-14 of the subject application is patentable over all the documents listed.

It is believed that the present application is now in condition for allowance and allowance of each of the pending claims 8-14 is respectfully requested. Prompt and favorable reconsideration is respectfully requested.

If the Examiner upon considering this amendment should find that a telephone interview would be helpful in expediting allowance of the present application, the Examiner is respectfully urged to call the applicants' attorney at the number listed below.

Case: ANL-IN-99-004b
